a word from our pastor

Last Sunday was the public release of my new book, *On A Ship To Tarshish*. And you helped to make it a great launch by snatching up hundreds of

copies! This is a book very simply about the will of God. Everyone wants to know what God's will for their life is. It is one of those questions that vexes everyone at some point or another. But the Bible actually gives us crystal clear direction about finding and living in the perfect will of God. In *On A Ship To Tarshish*, I give the reader a very simple and biblically based tool to find and know the will of God. This is something anyone can do! And so I am tremendously excited about the potential for this book to have a major impact in the lives of people. Please help me get the word out about *On a Ship To Tarshish - God's Will, Your Life*.

I wanted my church family to have first shot at this new book for a discounted price. We will continue to have copies of *On A Ship To Tarshish* available in *Guest Services* for just \$10 each. And of course, I would be happy to sign a copy for you as well. The book will be available at Amazon.com, Barnes & Noble, and all online retailers. In addition, e-book additions will also be available for Kindle, Nook, Sony e-reader, etc.

One more word: This Sunday is **Family Fun Day** at Grand. We have rented the **Alma Water Park** just for our church AND all of your friends. Invite ANYONE and EVERYONE to enjoy a FREE evening of summer fun at the **Alma Water Park**. We have the park all to ourselves from 6:30 - 8:30 pm. In addition, our **60+ Group** will be eating dinner at a restaurant across the way from the water park. So there is something for everyone Sunday night. See you there!

Blessings,
Pastor Jeff
